**ASSOCIATE PASTORS' NOTES**

“It’s going to get worse before it gets better” is a phrase that prepares us to buckle up for a rough ride. We know that enduring a difficult time will require some strenuous physical or emotional energy on our part before we experience the calm of normality. Our past experience tells us that we can endure the difficult pressure better when we know how long it will last and if we know that something better awaits us. Getting through the tough times while holding to the promise that awaits us is the message of this weekend’s readings. They point toward the promises of God’s kingdom that will come after the maelstroms and chaos of this world.

**CHALICE PROGRAM FOR VOCATIONS**

As we all know prayer is the key to everything we do. Several years ago when the Panhandle Vocations group was formed they started the 31 club which encouraged people to sign up for 1 day a month and dedicate that day to pray for religious vocations. Although that program is continuing they are hoping to get even more people involved in praying for religious vocations with the traveling chalice. This chalice has been blessed by Fr. John and was used at the Masses the weekend of October 31/November 1. If you sign up, you will have the chalice with a short prayer card for a week in your home. They want you to set the chalice in a prominent place in your home so you remember to pray the prayer daily. At the end of the week, you will bring the chalice to the next family on the list. Anything that encourages more prayer in our lives is a good thing and anytime we pray with our families is a gift. This is a really easy way to do both. If you would like to sign up for this ministry please give your name, phone number, address and email if available to Julie Kunzman. You can email her at [jack@bbc.net](mailto:jack@bbc.net) or call her at 762-7595 (in the evenings). You can also leave your information with the church office and she will get it from them.
