September 26, 2017

Dear Crusader Parents,

Happy Autumn! Leaves are changing and the weather is much cooler. It's time to fire up the furnace and dig out the sweaters. Congratulations to the volleyball team for their undefeated first place showing at the Panhandle Conference tournament in Morrill! All three matches weren't easy, but the ladies held on.

Some upcoming events:

- Football is playing Torrington this Saturday
- Volleyball is away at the Hemingford Tourney on Saturday
- School is out Monday and Tuesday for teacher training in Kearney
- The Blessing of the Pets is Wednesday, October 4<sup>th</sup> at St. Joseph's Park at 3:30
- National Apple Crunch Day is October 12<sup>th</sup>

Also, this week is the public high school's Homecoming. Many of the students at SAA will view the parade this Friday at 2:30.

Thank you again to all the parent volunteers. October is the month that 7<sup>th</sup> grade parents volunteer in the lunch room. September went really well! All of our volunteers are great with kids and we love seeing them every day! We hope to get out a letter soon to our local beef producers soliciting for donations of beef. This effort is part of the Farm to Plate movement where local farmers and ranchers are able to provide meat, vegetables and fruit to local schools. Kids get the best lunches and know what great things are accomplished by their neighbors.

Congratulations to Rocco Zanassi. He was picked to win a class pizza party by Parents Inc. Please be sure and pay your dues to Parents Inc. It's \$10 per year and your child has a chance to win a class pizza party. Thank you again for all your help and support.

Respectfully,

Rodney Wilhelm

Principal
