“HOME OF THE CRUSADERS”

November 27, 2018

Dear Crusader Parents:

We hope you had a good Thanksgiving! Four weeks until the end of the 2nd quarter and Christmas break.

- We have several people who have turned in some of the forms to be a volunteer driver, but not all. If you are planning on helping drive students to various events, please contact me to make sure you are all set.
- Please contact Mrs. Broad in the kitchen if it is your month to help in the kitchen.
- If you attend Mass on Wednesday mornings in our chapel, please go to one of the main entrances and get buzzed in. We want to do a better job at keeping the building secure during the day.
- IF/When the weather is bad when school is dismissed, the students will be coming out the main school entrance (Door 7). This is to avoid using the north stairs and risking a bad fall.
- Reminder to students who are in sports: If the team is traveling and the players are released during the day, you must be in school that day up to the time you get released.
- The Christmas concert is December 4th at 6:30 PM in the PAC.
- The girls play against Scottsbluff today at 4 PM and Thursday against Bayard at 3 PM. Both games are home. The girls' and boys' basketball teams are gone Wednesday to play against Leyton in Gurley. All these students need to bring sack lunches as they will not eat at school.
- Candy Sales Prize Winners: Josie Sanders, Paz and Cisco Cody family, and Lacie Torres. Each wins \$25 in scrip. Asher Saka won first place and donated his \$50 to his class service project.
- **Wreath distribution day is this Sunday, December 2 from 11-4.** Your order forms have been returned to remind everyone on your order sheet. Also, volunteer forms have been sent out to 5th-8th grade parents and students. If you can help us on Sunday, please send these in by tomorrow. We could really use some extra adult help from 11-4, even an hour would be wonderful. It takes a village for projects like these and we appreciate all the help. Thank you!
- When dropping off students in the morning, please pull into a parking spot if you plan to get out. We need to keep the traffic flowing and we need to keep our students safe. Thank you!

Stay warm!

In His Service,

Rodney Wilhelm, Principal
