“HOME OF THE CRUSADERS”

August 27, 2019

Dear Crusader Parents:

I hope you had a great summer! We are back at it, providing a great, faith-based education to our students. The weather seems to be changing already into fall-like temperatures. Last year was filled with illness, and in order to have a better year, please think about coats/jackets. It seems when the weather changes, we always have the colds pop up with kids.

- The Box-Tops for Education program is phasing out the clipping from boxes and going with a new cell phone app. You can download it, purchase your groceries and then scan the receipt with the app and it's all done. Look for the app called Box Tops for Education. See the attached flyer regarding this information.
- Please turn in all paperwork including contracts, physicals, driver forms, car insurance, etc. etc. Thank you!
- Open House is Thursday, September 12, from 5-6 PM.
- Picture Day is September 18 with Just Shoot Me Photographics.
- Parents Inc is always needing good help. Please look over their yearly fund raisers and pick one you'd like to help with. The next big one is the Chili Feed on October 11th. Their \$10 dues can be paid anytime.
- We have something new this year. If you successfully refer a family to attend SAA and they sign a tuition contract, you will win a \$50 scrip card.
- The car wash Sunday to raise funds for the Benzel family was amazingly successful!
- Thank you to all for having great attendance the first five days! Keep it up! This year we hope to have minimal tardies.
- Don't forget tomorrow is dress up day. Since Ortho is on Wednesdays now, please look at the Mass schedule to coordinate.
- Don't forget we have all kinds of scrip to purchase and meet the contract obligation. It doesn't cost extra to buy and use it.
- The first volleyball game is next Thursday, here, at 4 PM versus Hay Springs. This year we have lots of home games including three tournaments. The concession stand is in more need of workers than ever! Thank you for all you do!

Have a worthwhile day,

Rodney Wilhelm, Principal
