In order to access the SAA ReplayIt site, go to www.ReplayIt.com. Once at the site, click on the **SIGN IN, find our school, and enter 2020SAA to register your own account.** The initial set up takes a few minutes. Please let Mrs. Gould know if you need help or have questions. *The yearbook staff will review all photos and determine final yearbook content. They cannot guarantee that all submissions will be used in the book.* Photos may also be e-mailed to lgould@saa.school The staff will being advertisement sales in October, so please think about sponsoring the yearbook to reduce the cost of books for our students. Last year, advertisers helped so much that the yearbooks were \$25 instead of \$45.
